

Rubbermaid Adds A New Twist To The Copyholder.

Introducing The Original GrandStand™ Copyholder.

At Rubbermaid we set out to rethink the copyholder from the desk up. And what we came up with is dramatically new.

A copyholder that keeps copy comfortably in view, always at the perfect angle and the right height, and puts typing accessories right at your fingertips.

GrandStand™ Copyholder

No.	Description	Color	Pack
1818	Copyholder, Letter Size 9½"w. x 7½"d. x 13¾"h.	Base: Putty, Black	3
1819	Copyholder, Legal Size 9½"w. x 7¾"d. x 16¾"h.	Base: Putty, Black	3

Copy Board and Line Guide: Smoke.

Height, angle, and swivel of the copy board keep reference materials in convenient, comfortable viewing position.

Copy board separates from base for storage in drawers or cabinets.

Transparent line guide, unobstructed by confusing highlighter lines, scales, or markings.

Smoke-colored so you can see items behind it.

Line guide tracks easily, smoothly, holds its place for easy fingertip control.

Holds papers in place, books open.

Extra wide lip holds original manuscripts, even books or reference materials.

Open storage compartments for correction fluid bottles, typing elements, dictation tapes, paper clips, pens, pencils, felt markers, etc.

Rubber feet are skid resistant and protect table/counter surfaces.

Legal Size

Bail and line guide operates from right or left. Swings out of the way or can be detached.

Letter Size.
